

Salto Invitational Acro Competition

On Sunday 22nd September 2019, six of our junior acrobatics squad competed at the Salto Acro Grades 1-2 & PRE-NDP Development Competition in Luton. We had two pairs competing at Grade 1 and one pair competing at Grade 2.

In the Grade 1 category, our first partnership Alivia Falcon and Eve Howe achieved a score of 23.74 and came away with a bronze medal! Our second partnership in Grade 1, Alisha Thompson and Mia Arkle placed 5th out of 12 pairings with a great score of 23.00. Both pairs have only been together for a short amount of time, so this is a great accomplishment for all 4 gymnasts!

Amelie Cunningham and Lucy Bender were our only pairing at grade 2 but produced their best performance to date! Having achieved a score of 22.95, they narrowly missed out on a medal by just 0.3 on their first competition at this grade!

All three partnerships had a great day showing off their routines and performing to the big crowd of spectators. The acro coaching team are very proud of each and every one of them.
